--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED 26 November 2002 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. Therefore, further action by the applicant is required to avoid abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may only be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.

Examination (RCE) in compliance with 37 CFR 1.114.
PERIOD FOR REPLY [check either a) or b)]
 a)
Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extensio fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extensio fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).
1. A Notice of Appeal was filed on Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.
2. The proposed amendment(s) will not be entered because:
(a) ☑ they raise new issues that would require further consideration and/or search (see NOTE below);
(b) ☐ they raise the issue of new matter (see Note below);
(c) ☐ they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
(d) they present additional claims without canceling a corresponding number of finally rejected claims.NOTE:
3. Applicant's reply has overcome the following rejection(s):
4. Newly proposed or amended claim(s) <u>8-14 and 60-65</u> would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).
5. The a) affidavit, b) exhibit, or c) request for reconsideration has been considered but does NOT place the application in condition for allowance because:
6. The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
7. ☑ For purposes of Appeal, the proposed amendment(s) a) ☑ will not be entered or b) ☐ will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.
₹ The status of the claim(s) is (or will be) as follows:
Claim(s) allowed:
Claim(s) objected to:
Claim(s) rejected: <u>8-14 and 59-65</u> .
Claim(s) withdrawn from consideration:
8. The proposed drawing correction filed on is a) approved or b) disapproved by the Examiner.
9. Note the attached Information Disclosure Statement(s)(PTO-1449) Paper No(s)
10. Other:

Application/Control Number: 09/273,957

Art Unit: 1652

The Amendment after Final, filed on November 26, 2002, as paper no. 20, is

acknowledged. Amendments to the claims have not been entered. Claims 8-14, 59-65

are pending in the Application.

The amendments to claims 8, 12, 13, 14, 64 and 65 introduced numerous

spelling, grammatical and typographical errors. In addition, the amendments to claims 8

and 9 entered new grounds for rejection under 35 USC section 112, second paragraph.

If not for these issues claims 8-14 and 60-65 would be allowed. The examiner

suggested the filling a supplemental amendment to overcome the above-mentioned

deficiencies of the claims during a telephonic interview on Dec 12, 13 and 16, 2002, but

the issues could not be resolved.

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Malgorzata A. Walicka, Ph.D., whose telephone number

is (703) 305-7270. The examiner can normally be reached Monday-Friday from 10:00

a.m. to 4:30 p.m.

If attempts to reach examiner by telephone are unsuccessful, the examiner's

supervisor, Ponnathapura Achutamurthy, Ph.D. can be reached on (703) 308-3804.

The fax phone number for this Group is (703) 305-3014.

Any inquiry of a general nature or relating to the status of this application should

be directed to the Group receptionists whose telephone number is (703) 308-0196.
